

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

DATE: APR 23 1981

SUBJECT: Incident at Kaiser, Trentwood Works

FROM: Kenneth D. Feigner, Chief
Waste Management Branch

TO: Clark L. Gaulding, Chief
Compliance Branch

Pursuant to my memo of April 9, 1981, enclosed is our assessment of the incident at Kaiser, Trentwood Works. Based on this assessment we conclude that no remedial action is necessary at the disposal site. Any enforcement action would thus be based strictly on the record of violation transmitted earlier.
